

**STARS ACCELERATED H.S.
IS AN ALTERNATIVE TO
THE TRADITIONAL, WHEN
THE TRADITIONAL DOES
NOT PROVE TO BE A GOOD
FIT FOR YOU!**

**When students successfully
complete all the
requirements for
graduation, they earn a
diploma from STARS.
Our school is accredited
by the Texas Education
Agency and
the Southern Association
of Colleges and Schools.**

**Students are equipped
for life beyond high
school:**

**College/University
Trade School
Military
Workforce**

A HIGH SCHOOL DIPLOMA CAN BE A REALITY AT STARS!

- STARS Accelerated High School knows that there are a lot of students who want to graduate early or just don't want to be in a traditional high school.
- STARS offers these students another choice.
- Our classes include individualized programs to meet the unique needs of all learners.
- Technology is 1:1 and teachers are available to help every student with every subject.

IS STARS ACCELERATED H.S. FOR YOU?

STARS Accelerated High School might be a good place for you if:

- You are not experiencing success in school
- You are behind in your credits
- You need smaller class sizes
- You need to graduate early for whatever reason
- You are self-motivated and disciplined to work at your own pace

Self-Motivated Teens Achieving Responsibility & Success

- Over 1000 STARS graduates since 1994
- Over 95% of STARS students graduate and receive a high school diploma
- Transportation available
- Location next to Weatherford College's Granbury Campus offers college opportunities
