# The million dollar question:

## **SCHEDULE CHANGES**

1. Everyone needs to follow the paper schedule they receive on the first day of school.
2. If there's a class you want/need changed, click the QR code for the request form.
3. BE PATIENT. Our counselors' first priorities will be new enrollees and building their schedules. It might take a couple of days!
4. After the fifth day of class, we cannot approve schedule changes. After day 5, you need to wait until semester (unless it's an advanced class for which there is an on-level substitute).

# Bell Schedules

- Doors open at 8:00
- School starts at 8:45
