

what I plan
to do with
my one
wild and
precious
life

I will continue to play volleyball or be a coach

I will be looking for what works in my life

I will live in the BIGGEST house on the block!

I will be an orthodontist and make a bunch of money!

I want to live in a house with a lot of land,
fourwheelers and rangerovers!

I want to live in a PEACEFUL and STRESS FREE environment

I will still be a daddys girl

I will be the one to help others and not be the "debbie downer"

I want to have as many clothes as possibly for a girl to have, i want four closets!

I want to have enough family time and be able to spend quality time with the people in my life

I will have to learn in the future how to pick the people i surround myself with.. ALL POSITIVE VIBES!

I will live MY life the way i want to live MY life!

I would love to grow up and have a husband and kids

I want a bright future for myself

I want to become stronger in my faith

I want to travel around the world

I will be opt to try new things!

I want to live my one wild and precious life!
