(See FNCA (LOCAL) A sponsor, coach, or other person in charge, with the principals approval, may establish dress standards for students who participate in these activities.

If the principal determines that a student’s grooming or clothing violates the school’s dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student may be assigned to in-school suspension for the remainder of the day, until the problem is corrected, or until a parent or designee brings an acceptable change of clothing to the school.
