TRANSPORTATION, DISTRIBUTION, & LOGISTICS

_____	_____	9835 SMALL ENGINE TECHNOLOGY I
_____	_____	9805 *AUTOMOTIVE TECH I (2CR/2PER)

SCHEDULE CHANGES: Course selections made during pre-registration are considered FINAL. Any request for a change in course after spring pre-registration must be made in writing. Students may not drop or add a course after five class days of attendance. The random changing of courses at the beginning of school will not be honored due to the effect these changes have on classroom enrollment and the disruption of classroom instruction.

Granbury ISD reserves the right to change course selections depending on test results, individual school staffing and other factors which may affect course offerings. When selecting courses, it is the responsibility of the parent and the student to make certain that the courses selected are the ones the student needs.

Equal opportunities are provided by the GISD for all students without regard to race, color, national origin, sex, and handicapping conditions.

Since entrance requirements vary from college to college, high school graduation does not necessarily ensure admission to college. It is primarily the responsibility of the parent and the student to make certain that the student's credits meet the requirements of the college he/she chooses to enter. This also applies to NCAA (National Collegiate Athletics Association) requirements.
