☑ Overview of Certain Financial/Bond Ratings

- ☐ **Overview:** Granbury Independent School District (the “District”) has been assigned the following independent financial/bond ratings that indicate the relative strength of the District’s financial and debt management:
 - **School Financial Integrity Rating System of Texas (“FIRST”):** Pursuant to Subchapter D, Chapter 39 of the Texas Education Code, the State annually deploys a financial accountability rating system to distinguish the level of a school district’s financial performance based upon certain uniform criteria.
 - ✓ Based on data for year 2016/17, the District was assigned a 2017/18 FIRST Rating of “Superior” and the District’s score was 100 out of a possible 100 points.
 - **Credit Ratings:** The District also maintains independent ratings from certain nationally recognized credit rating agencies, such as Moody’s Investors Service and S&P Global Ratings, that evaluate the District’s financial strength and its ability to pay its existing bonds.
 - ✓ **Moody’s Investors Service:** Assigns a “Aa2”^(A) credit rating to the District, defined as “Judged to be of high quality and are subject to very low credit risk.”
 - ✓ **S&P Global Ratings:** Assigns a “A+” credit rating to the District, defined as “Having a strong capacity to meet its financial commitments but is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligors in higher-rated categories.”

^(A) On October 15, 2018, Moody’s Investors Service, Inc. upgraded the underlying credit rating of the District from “Aa3” to “Aa2”.

Overview of State Funding System

❑ **State Funding System – Where Do the District’s Revenues Come From:** Granbury ISD is legally required to operate pursuant to the requirements of the Texas Education Code. In particular, the Texas Education Code determines the District’s ability to generate local tax revenues for maintenance & operation purposes and for the repayment of voter-approved bonds. In this regard, the District annually sets two (2) separate tax rates that are levied upon its certified taxable value that is independently determined by the Hood County Appraisal District, Central Appraisal District of Johnson County, Parker County Appraisal District and Somervell Central Appraisal District:

■ **Maintenance & Operations (“M&O”) Tax Rate:** To provide funds for the “day to day” operational expenses of the District, including instructional programs, teacher salaries, instructional supplies, security, student transportation, extracurricular activities, utilities, facility infrastructure/maintenance, etc.

✓ As a Chapter 41 or “Robin Hood” school district, the District’s annual funds for maintenance & operation purposes primarily consist of local M&O taxes, as summarized to the right for year 2017/18. In general, the dollar amount of local M&O revenues retained in the District is determined by the District’s “Equalized Wealth per Student” (i.e. taxable value / weighted average daily attendance) as set by the State. We note that the local sources include tax collections of \$4,775,087 or 7.3% of total operating funds that are paid to the State as a “recapture” payment.
