### House Bill 3562 - Meal Charge Policy

<https://legiscan.com/TX/bill/HB3562/2015>

Parents are strongly encouraged to continually monitor their child’s meal account balance. When a student’s meal account is depleted, the district will notify the parent. The student will be allowed to continue purchasing meals for up to 2 days or up to \$9.00, whichever occurs first.

The district will notify the parent or guardian that the student’s meal account balance is exhausted; the district will not charge a fee or interest in connection with meals purchased by the student during the grace period.

The district will set a schedule of repayment for any outstanding account balance.

If the district is unable to work out an agreement on replenishment of the student’s meal account and payment of any outstanding balance, the student will receive an alternate meal.

The Child Nutrition Department will use one or more of the following methods to notify households of negative balances: Automated Phone Calls, Emails and/or Letters to Households.
